RE: Philip Godlewski vs. Brienna DuBorgel
2023 CV 1354

Dear Counselors:

Please be advised that a Status Conference has been scheduled for January 14, 2025, at 8:30 A.M. before Judge James A. Gibbons in the above captioned matter. The conference will be conducted using Advanced Communication Technology (ACT); you will receive the appropriate link from the Judge's chambers as the date approaches.

Since Judge Gibbons will establish a date certain for trial at the time of the Status Conference, counsel must attend the Conference with their personal calendars, as well as those calendars reflecting the availability of the parties and any expert witnesses who will testify live at trial, so that a mutually convenient trial date can be set. Once a trial date has been set during the Status Conference, no continuance will be granted due to the unavailability of counsel or a party or expert witness.

Very truly yours,

Stacey E. Harris, Esquire
Deputy Court Administrator
